

COMMERCIAL SUPPORT AGREEMENT

Title of CNE Activity:

Date:

It is understood that:

- This activity is for educational purposes only and will not promote the commercial supporter's products. WSNA CEARP approval applies only to the educational activity itself, and not to any commercial products.
- Acute Care Education is responsible for control of content, education methods and selection of faculty. The commercial supporter agrees not to direct or influence the content of the program as a condition of support. The commercial supporter may suggest presenters only if asked to do so and will disclose financial or other relationships between the company and the presenter.
- Acute Care Education will inform participants regarding support and or any relationships between faculty and commercial supporters. Any financial interest that is deemed to pose a conflict of interest will be resolved prior to implementing the activity.
- Only Acute Care Education is permitted to receive and disburse funds from supporters. Direct transactions between supporters and the activity vendors, presenters or participants are not permitted.
- No promotional activities will be permitted in the same room or oblique path of this educational activity. No product advertisements will be permitted in the program room.
