The Science of ECG Rhythm Recognition

December 2, 2015
1:00 pm – 5:30 pm
Front Auditorium
Tuality Health Education Center, Hillsboro, OR

Program Description
What do those squiggles on the monitor mean? Are you able to identify the major cardiac rhythms? Do you know what to do once you recognize the rhythm? The Science of Rhythm Recognition will give you a standardized method of interpreting rhythm strips. You will have plenty of time to analyze real rhythm strips and learn initial actions for each. Participants will receive downloadable handouts that will be discussed during class time.

Who Should Attend? Registered Nurses, students, telemetry technicians, emergency department technicians and other Health Sciences Professionals wishing to acquire skills in interpreting rhythm strips.

Purpose/Learner Objectives: The purpose of The Science of ECG Rhythm Recognition is to practice and perform the basic skill of ECG rhythm recognition. At the conclusion of this educational activity, you will be able to perform the basic skills in ECG rhythm recognition.

- Review the basics of the electrical conduction system and how it relates to the ECG
- Discuss the components of the ECG complex
- Practice rhythm identification utilizing a systematic approach
- Verbalize actions required for identified rhythms

Diane L. Paulson, Major (Retired Army Nurse Corps), MSN, BSN, RN

Diane joined us after retiring from the Army Nurse Corps in 2007. Her years of service have led her to a variety of clinical and management areas in healthcare. Her most notable assignments were head nurse of the emergency treatment section of 2 deployed Combat Support Hospitals (Kosovo and Kuwait).

Diane holds a Master's in Adult Medical/Surgical Nursing with an emphasis on emergency services from Armstrong Atlantic State University and a Bachelor of Science in Nursing from the University of Washington. She is a certified BLS, PALS, ACLS, TNCC and ENPC instructor.

Diane has been married to her husband, Ken, for over 26 years and has adopted two stray dogs, Kady and Java. She currently enjoys working in a small rural emergency room and taking teaching assignments throughout the Northwest. Her hobbies include gardening, painting and attending craft fairs.

Accreditation Statement
Acute Care Education, LLC is an approved provider of continuing nursing education by the Washington State Nurses Association Continuing Education Approval & Recognition Program (CEARP), an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

This program will award 3.9 contact hours to a learner who completes the Criteria for Successful Completion. Please see the requirements for this criteria on our website.
